Tax Services by Grant Thornton Aruba

Taxation plays a pivotal role within our organization. Our team stands ready to provide a diverse array of solutions, tailored to address the unique needs and challenges of your business, regardless of its size.

Why Choose Grant Thornton

Within our tax department, we possess a wealth of specialist skills acquired through individuals with extensive experience in the field of taxation. Leveraging a combination of reason and instinct, we collaborate with you to devise a strategy that not only enhances your understanding but also effectively manages your tax liability in a transparent and ethical manner.

Our Approach

Our services span the entire spectrum of tax compliance, encompassing tasks such as tax return preparation and overseeing tax payments. Additionally, we provide expert tax advice and strategic tax planning guidance.

Whether you operate as a medium-sized, dynamic business or as a multinational corporation, we provide direct access to senior tax professionals worldwide. Our teams are dedicated to attentive listening, swiftly responding to your needs with insightful and pragmatic solutions.

“Expert guidance to stay compliant, save smart, and plan ahead”

Our Tax Services:

- **Tax Advisory:** structuring advice and tax planning.
- **Full Compliance Service:** preparation and filing of tax returns for income tax, wage tax, and turnover tax.
- **Tax & Wealth Planning:** personalized strategies for high-net-worth individuals and family offices.
- **Expatriate Tax Services:** specialized support for companies and individuals managing cross-border employment and relocation.
- **Employee Incentive Schemes:** tax-efficient design and implementation of incentive plans and stock option programs.
- **Strategic Tax Planning & Incorporation:** advisory on optimal structures for business setup and growth.
- **Estate & Retirement Planning:** long-term planning guidance for wealth transfer, retirement, and legacy structuring
- **Investment Tax Advisory:** strategies to maximize returns through tax-efficient investment planning.

Beyond the numbers, clarity that empowers.

Assurance Services by Grant Thornton Aruba

Beyond high-quality audits, we focus on insightful feedback and continuous improvement, helping clients strengthen financial reporting, enhance business processes, and achieve operational excellence. Our Audit and Assurance team partners with dynamic organizations to ensure financial clarity, regulatory compliance, and sustainable growth. We don't just perform audits; we deliver insights that help you understand the story behind your numbers.

Why Choose Grant Thornton

We have the size, scope, and global reach to serve dynamic organizations around the world. Our teams provide assurance services that deliver real value, support investor confidence, and empower informed decision-making.

Our commitment is simple: excellence, integrity, and a proactive partnership designed to support your vision and growth. A strong quality control system underpins everything we do. Our internal procedures and continuous reviews ensure the highest level of audit quality, consistency, and reliability, so you can trust the results and the insights that come with them.

As part of the Grant Thornton global network, we bring added value through shared expertise, consistent global methodologies, and access to leading industry insights, helping clients navigate complex markets with confidence.

“Building confidence through clarity, quality, and assurance you can trust.”

Our Approach

We deliver assurance services that go beyond compliance, providing value, trust, and confidence to management, shareholders, and stakeholders alike.

Our global audit methodology, powered by advanced tools and data analytics technology, ensures accuracy, efficiency, and transparency throughout every engagement.

Our Assurance Solutions:

- Financial Statement Audits
- Financial Reviews
- IFRS and GAAP Conversions & Advisory
- Regulatory & Compliance Reporting Reviews
- Agreed-Upon Procedures (AUP) Engagements
- Internal Control Reviews
- Due Diligence & Transaction Support
- Risk & Governance Assessments

Turning complex challenges into clear direction.

Advisory Service by Grant Thornton Aruba

Our advisory services are designed to support local and international businesses, private and public, as they navigate growth, change, and complexity. Backed by a global network and enriched with local expertise, we work side by side with you to develop practical solutions tailored to your organization's goals.

Why Choose Grant Thornton

We don't just consult, we collaborate. We focus on actionable insights, long-term results, and empowering your team with the tools to sustain change. From strategic planning to operational improvement, we bring clarity to your challenges and co-create the path forward.

Our Approach

Our advisory approach is rooted in collaboration, practicality, and long-term value. We work closely with your team to understand your organization's unique challenges and goals, ensuring that every solution is tailored, not off-the-shelf. By combining global expertise with deep local insight, we deliver practical strategies that are not only effective but sustainable. We focus on building internal capability, transferring knowledge, and creating ownership at every step. Our goal is to help your organization implement meaningful change successfully and at your own pace.

Our Advisory Services:

- **Strategy & Business Planning:** define direction, set priorities, and drive informed decision-making.
- **Human Capital Management:** Optimize workforce performance, development, and alignment with business goals.
- **Corporate Governance:** Improve oversight and accountability with tailored governance structures and board effectiveness support.
- **Sustainability Services:** develop ESG strategies.
- **Process Improvement:** identify inefficiencies and streamline processes for greater effectiveness.
- **Learning & Development Academy:** build internal capabilities through targeted training and professional development.

“Partner with us to turn complexity into clarity, and strategy into success.”
